**Purpose:** To define the types of activities that may take place at the Washtenaw Alano Club.

**Policy:** In conformity with the foundation documents of the Washtenaw Alano Club which define the primary functions and structure of the organization, the membership, in the person of their elected Board of Directors, has determined that the facilities to include buildings , staff and services, should be dedicated primarily to meetings and activities that promote the principles of addiction recovery as set forth by the Alcoholics Anonymous community at large and detailed in the 12 Step Program, the Statement of Traditions and the AA Big Book.

Activities not directly dedicated to these principles which further the welfare of the club membership, will be evaluated by the Board of Directors who will make a decision regarding terms of use and schedules for the use of Club facilities.
