Committee Meetings—combined Fundraising, Social, Membership

Attendees: Jeff C, Kathy N, Pat R, Julie S, Rachel S, Kristin S, Bill S, Curt, Mark, Kate, Sara

Membership committee

Neils is not available this evening but we will continue to target September for membership drive. Since we have not had in person meetings this year, we will plan for committee meetings in August and will discuss the membership drive at that meeting.

Fundraising Committee

We have been contacted by DxA2 run looking for volunteers. We will get information on the timing and based on their website volunteer positions; we will target a water station (near some parking) for our volunteers. Will need between 5 – 10 people. More details as we get more information.

Kristin will work on license for 50/50 raffles to resume

Jewelry/handbag sale. Targeting second weekend in November (before holiday and before tree delivery). Update times to 8:30 to 2 rather than all day. Will need help with set up and sales. Next month meeting will need to make firm plan to see about listing in Observer as well as our traditional listing on FB and Nextdoor. Try to get Sandwich Board sign for front drive.

Social Committee

July 4th picnic was great success!!! Curt and Julie will get stone fireplace and grill repaired to be used. We need to clean up grills and dispose of ones that are no longer useable. Next event will be Labor Day party. Need planning session and Volunteers. Also, need to discuss October anniversary party, Halloween party and general go forward calendar of events.

Also discussed open talks and seeing what meetings might want to sponsor open talks. Will Historical committee have more open talks like the July 1st session?

Historical Committee – Will Meet separately.

Paul will send out invitation and announcement at later date
