

## Combo Meeting September 9, 2021 6:30P

Attendees: Jeff, Neils, Julie, Kathy, Curt, Mark, Rachael, Kristin

### Membership Committee

September is membership month !! Sign up tables for Sept 11, 12 and 18, 19. Need volunteers to cover shifts. Kristin has sign up sheet available and will update with names of team members who volunteered for time. Kristin and Kathy can fill in open slots if needed. Kristin will provide 'cheat sheets' with membership details: levels, costs, and benefits. Signage and table will be set up outside under front patio area. Will have gift certificate prize for person who signs up most new members.

### Fundraising Committee

Upcoming events are Giving Tuesday on November 30th, Christmas Trees, and possibly jewelry sale. Signage and communication is planned for Giving Tuesday. Kristin is trying to contact Christmas tree vendor and hoping that they have allocated about 200 trees for us this year. Alternative vendors have no trees available. The question about the Jewelry/Purse sale this year is about the Covid restrictions. Kathy will contact Sarah to see if she is interested in holding event. During the July meeting, dates were discussed and tentatively set for beginning of November.

### Social Committee

Covid has events on hold for now. Trying to stay flexible about Angel's Night event in case we can still hold it, but safety is top priority. Having social events not worth the risk to having the Club become a spread location and possibly risk a shut down.

Meeting closed with Serenity Prayer.
