Social Committee

Discussion on when and how should club host events during Covid? Gatherings with too many people and food seems to be the issue. Will review monthly at committee meeting to evaluate. Meanwhile, individual meetings can do events because they are likely more limited and the people are already seeing each other.

Vote taken and Halloween event for Club is cancelled,
SundayAA meeting is doing a Halloween party on Sunday from 1-3 for their group and Little House is doing a meeting on Saturday evening.

George Roth party - Saturday or Sunday 30th or 31st, time TBD. It will be his 50th anniversary and Club will have temporary display for his Big Book donation. Kristin will take the lead on the event. Jeff discussed his plan to layout temporary display. Permanent display will be done out of the wood from the club, That wood needs to be milled and dried to be used and that will take about a year. Decision needs to be made about refreshments (Cake and fruit)?

Standard flyer and communication. Try for 2pm. Kristin can confirm details as she has them.

Julie would like everyone to take some time and come up with some thoughts about Thanksgiving. Also, ways to get more Volunteers for Events. Mailer/email. Meals on wheels ?

Fundraising

Upcoming events to end of year

- Giving Tuesday
- Jewelry Sale -- Add Tapes to the sale. (Audio Tapes that were donated).
- Christmas tree sale -- limited number of trees this year again. May consider a members only day.
- Year end mailing

Kristin and Kathy will work with Communication Committee to get regular emails, social media and web updates.
