

Combo Meeting Notes February 10th, 6:30 Via Zoom

Attendees: Julie, Neils, Tom, Kristin, Pat, Mark, Kathy

**Membership:** No planned events. Current level is 205

**Social Committee:** We have been contacted by 'Sober Softball' about a WAC Softball team to play in Garden City. Julie will reach out to them to see about an update on the schedule and requirements for participants.

**Fundraising:**

Upcoming events and partnerships.

Dexter Ann Arbor Run has made the Club a Charity Partner. Run is June 5th and we can volunteer for the Food Tent. We need to up communication about the event and urge patrons to participate by donating to Club online. All Donations made online thru DXA2 run go directly to Club

Partnership with the People's Food Coop for the month of July 2022. They select one charity partner a month for 'round up' and donations to that partner. We will need to update a flyer and promote the partnership for the month of July. Flyers at the club and website recognition. Also emails - after the March Match.

March Match !! The big fundraiser for the year. Decisions were made to run it for the entire month of March but to really focus on first three weekends. Goal will be 30K again this year. Target message around Gratitude (check with Teresa on this). Money to be used for operations and for upgrade and maintenance of outside meeting spaces.

We can reuse posters, flyers, and collateral at the club. Will need to review last year's emails and set up a communication schedule for promotion. We will need to set up a new thermometer in the hallway and online. Kristin will help manage our Facebook and websites. Tom will add to the agenda for communication meetings on Tuesday and we will check with Teresa to see if she can help with messaging and writing.
