Washtenaw Alano Club Bi-Monthly Newsletter

First, we want to give a special shout out to a couple members of our Club who have gone out of their way to assist the Club on a few needed projects. If you see them, please give them a thank you!

**Joe D.**

Joe D. continues to volunteer at the Club on a regular basis. Most recently, he put in a ton of work helping with our Christmas Tree Fundraiser by getting the sale area set up and organizing help for the duration of the fundraiser. With his help, we sold out of trees for the second year in a row!

**Andy B.**

Andy B. was kind enough to lend us his time and skills to build and install a hand rail for our new patio. It looks wonderful and makes our patio steps safer for our patrons. Andy is a great example of an involved member. We are lucky to have so many skilled members willing to help the Club!

**Thank you Joe and Andy, for your continued service to our Club!**

## Upcoming Club Events

## Membership

This December we had our second membership drive of the year, and we added some new members to the WAC membership family. We always welcome new and renewing members! Our Club is operated and managed by members who care about the Club, get involved, vote, and share their voice with the Board of Directors they elect. Please join the Club if you are able! Every member matters to us!

## March Match Fundraiser

Our annual March Match Fundraiser is coming soon. Every year, generous donors pledge to match any donations given to the Club, up to a certain dollar amount. As one of our most successful fundraisers, it has played a huge role in the expensive improvements the Club has needed the last two years. If you are able, please give to the Club during this fundraiser. Every dollar counts!

## ANNOUNCEMENT

The Club has been planning our 50<sup>th</sup> Anniversary Celebration for the last year. We are still looking for any old pictures or memorabilia of our Club and its history to display at the event.

The Celebration will be held at the Club on Saturday, September 14<sup>th</sup>. The exact time and details of the event will be announced soon!

If you wish to lend or donate anything that represents the Club's history, please call the Club at (734) 668-6138 and ask for Kristin. She will help arrange a time to drop off and make sure your items are labeled so they are returned to you if you wish to have them back. Thank you!

## Looking for service work?

Have you been considering volunteering at the Club but don't know how to go about it? Do you or someone you know need community service hours?

We have many volunteer and community service opportunities and would love to add you to our list! During the summer months we always need help keeping our gardens weeded and the grounds cleaned up. We always welcome new volunteers to participate in any of the committees. We also welcome assistance with the day-to-day tasks, like returning cans, helping with events, or assisting in other projects around the Club.

**Questions? Call the Club at (734) 668-6138 and ask for Kristin. She would be happy to help answer your questions!**
