

Notes from WAC Historical Committee

Tuesday February 15, 2022 4pm

Attendees: Pat R, Mark S, Paul W

- Work continues to create web-based history timeline from WAC story boards
  - Images have been captured from all 13 boards (264 images total)
  - 5 of 13 boards are arranged in a prototype timeline (<https://washtenawalano.club/history-timeline/>). The content is only available to people with the full link.
  - Target is to complete the timeline by March committee meeting for review and approval for release
  - Discussed ideas for enhancing the timeline, including supporting text articles and audio narration
  - Would be useful to include a section on club's reaction to the COVID pandemic, including possibly capturing new video recollection
- Still pending is the idea of scheduling showings of raw interviews from 50<sup>th</sup> anniversary film. Decided to table for now and discuss again in March.
